¿Sabía que...? El abuso infantil se presenta de muchas formas. La mayoría de la gente identifica el abuso infantil con golpear físicamente a un niño. La negligencia también es una forma de maltrato. No proporcionar a un niño una nutrición, alojamiento y supervisión adecuados puede causar un daño irreparable. Las expectativas de que un niño participe activamente en el cuidado de la casa y la familia, o incluso en trabajos adecuados para su edad, forman parte de un desarrollo saludable. Pero las exigencias excesivas pueden convertirse en una forma de servidumbre que va más allá de las normas sociales. La pornografía infantil es una forma de abuso sexual, con víctimas reales en cada imagen. El ver estas imágenes es una ofensa a la dignidad humana.

Did you know...Child abuse comes in many forms. Most people identify child abuse as physically hitting a child. Neglect is also a form of abuse. Failing to provide a child with proper nutrition, housing and supervision can cause irreparable harm. Expectations that a child can be an active participant in the care of home and family, or even age-appropriate jobs is a part of healthy development. But excessive demands can cross into a form of servitude that is beyond the societal norms. Child pornography is a form of sexual abuse, with real victims in every image. The viewing of these images is an offense against the human dignity.
