Dear Parent,

It is with great pleasure that I welcome you to St. Brendan Catholic Elementary School and most pleased that you are considering becoming a part of our family. We are proud to share a glimpse of what we are all about.

Our school was established in 1955, and since that time we have continued our commitment to provide the very best academic, moral, social, emotional, and most importantly, spiritual environment for students in PK2-8th grade.

Our Pre-K program services children from the ages of two to four years of age in an environment where they learn to grow and prosper in a loving, Christian, child-oriented environment; with a structured academic and spiritual curriculum. Our school is comprised of 21st Century classrooms all equipped with interactive SMART Boards and iPads. We are a fully STREAM Certified School- such a designation allows us to offer our students with an extensive academic program that engages students with critical thinking, team building, problem solving, critique, inquiry, and innovation. Our Middle School curriculum includes high school dual enrollment classes such as Algebra I Honors, Geometry Honors, World History, and Spanish I. Our Arts and Athletic Departments allow our students to cultivate their talents as well as an Arts and Athletic Department.

We also meet the needs of our differentiated learners by offering the Felix Varela Program for students with special needs, our SPELLREAD Program for students that need reading intervention, as well as our St. Thomas Aquinas Accelerated Program for those students who perform at a higher academic level.

To continue to help each student grow into well rounded young adults, we offer an extensive afterschool sports and fine arts program. Our co-ed sports program includes volleyball, basketball, softball, baseball, track, soccer, cheerleading, and much more. Our fine arts program allows our students to showcase their talents in robotics, ballet, guitar, piano, voice, drama, flamenco, and cheerleading.

In addition to the above, St. Brendan Catholic Elementary instills in every child the importance of service and giving back to their community. Through our "Knocking on Someone's Door" charity organization, the St. Brendan Elementary Mission Club, NJHS, and Campus Ministry our students are given the opportunity participate in a variety of service projects throughout the school year. It is our vision, for our children to understand the value of service and that we as Catholics are here to serve others and make a positive impact in today's society.

We look forward to welcoming you into our St. Brendan Catholic Elementary School family.

Blessings,

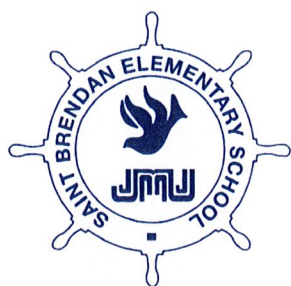

Mrs. Cristina Capote-Alonso
Principal
